X-OTICA

VOLUME 6 NUMBER 2 WINTER, 1975

EDITORIAL

Welcome to another issue of X-OTICA, America's number one magazine dedicated to erotic, exotic women and their special overpowering appeal to men who know a good thing when they see it! It stands to reason that women who know what turns men on would find themselves considered "different," or "brazen," or "wanton." These are the girls of X-OTICA -- bold beautiful creatures filled with a deep lust appetite, willing and able to outrage and inflame the men of their choice -- and make no mistake about it: These wanton women know exactly what they are doing every step of the way. So beware: their beauty is their trademark and lustful tastes are their pleasure -- and they await you in X-OTICA.
